

Testimonials for Duncan's PFS Hand Safety Products

"They are the best hand safety products I've ever seen. All of my instructors agree that they are the best Oven Mitts and Hot Pads on the market today."

Steve Posser
Chief – Culinary Skills Training Division
United States Army Quartermaster Center & School
Army Center of Excellence, Subsistence, Fort Lee, Virginia

"I used to have scars all the way up my arm, but now I tuck one of the Duncan hot pads in my apron like a kitchen towel, and I can grab a hot plate out of the oven, or a tray from the freezer without even thinking twice about it."

Rob Bonura
Chef/Owner of Cafe Regatta

"We trust Duncan's PFS Grips to safeguard the million-dollar hands of our famous performing artists."

Mary Barnard
President – Foundation for the Performing Arts

"The products are very easy to clean and very flexible, therefore this makes a good oven mitt. The grip is firm and secure."

Dieter Doppelfeld
Master Chef – Garde Manager

"These mitts have exceeded our expectations for durability, sanitation and overall usage."

Mike McDonald
Chief Cook, North County Correctional Facility, L.A.S.D.

"In my thirty years in food service, these are the best darn products I have ever used."

Gary Schmidt
Food Administrator, FCI Forrest City, AR-F.B.O.P.

"They work well and are easy to use. I would describe the perfect Personal Protective Equipment as this line of products."

Roy Salazar
Chef Instructor – California Culinary Academy

"Don't waste your money, buy Duncan's PFS Grips Oven Mitts."

Roger Robataille
Florida DOC

"(Duncan's) product is easy to clean and grips very nicely. They withstand heat very well and offer a wide variety of sizes for every type of cook."
